

## **PSJ2 Exh 64**

Harry:

The attached is a speakers request that came in from Rick Wood regarding a certification review course in July. Debra Heidrich is designated speaker. It turns out that the request had incorrect information regarding date, times and estimated attendance. When I called the contact (Vivian Jackson), she said the program was for two days, the dates were different (July 25 and 26) and that the attendance, at most would be 40 people. Heidrich charges \$1,500 honorarium, plus \$39.50 a student for this type of program.

The educational grant for this program will be \$1,500 plus \$39.50 for 20 students equalling \$2,200. They will cover Debra's charge of \$39.50 for the extra students.

This is for your information.
